Vegas Night—Millionaire's Party.

The Grayling Chamber of Commerce announces that the evening of April 20th is the night when the thrills of Las Vegas come to Grayling.

Its the Second Las Vegas Night. Beginning at 7 p.m. residents of Northern Michigan will have the opportunity to enjoy many of the big games of chance that they enjoy in Las Vegas. The only difference...they won't have to travel as far.

Proceeds from the Vegas Night will go toward a fund set aside by the Chamber of Commerce for the purchase of a snow-groomer for snowmobile trails and also for the 1979 Milltown Festival.

The event will be held at Auman's House of Catering...2123 South Millikin Road...Tickets are priced at \$5.00 when purchased ahead of time and \$6.00 at the door. For information on where to get tickets call the Grayling Area Chamber of Commerce at 348-3336.

Las Vegas Night tickets are limited and everyone is urged to purchase their tickets immediately.

Two Seats Available on School Board

According to the Crawford-AuSable School Board's Administrative office, any citizen interested in running for a school board post for this next fiscal year must have a nominating petition filed by next Monday, April 9th.

The terms of current board members Robert Smock, who has stated to the Avalanche that he will not seek re-election after 15 years of board service, and Bernadine Dosch, expires June 30th. Mrs. Dosch will be seeking re-election and another interested citizen seeking a board position is Pauline Petrosky, who is also circulating a nominating petition, according to school officials.

The names of twenty registered county voters are required to place a nominee's name on the ballot for board election, set for June 11th.

FOR KALKASKA TROUT FESTIVAL

Sue Burr Named First Runnerup & Miss Congeniality

Sue Burr, Miss Grayling for 1979, was named first-runnerup this past Saturday evening in Kalkaska and will participate in their Annual Trout Festival scheduled for the weekend of April 27-30th. She was also named Miss Congeniality during the contest.

Louise LaSersky, Miss Bellare, was crowned queen and will reign along with Sue at the popular festival held each year commemorating the opening of the trout season.

The queen pageant was held this past weekend with the crowning ceremony held Saturday evening.

Grayling To End Current Series With 'Spain'

On Thursday evening, April 12 the Grayling Community School Program will end their 6th Annual Travel and Adventure Series with an exciting film entitled, "The People Of Spain". This Full-color, true-life adventure featuring Howard and Barbara Pollard will be shown in Grayling's Joseph Stripe Auditorium beginning at 7:30 p.m. Doors at the Grayling High School will open at 6:45 and tickets will be available at the door.

In viewing this film you will be fascinated by living portraits of individual Spaniards from all walks of life. You'll follow them on their jobs and while they relax in their homes. The Spanish are an idealistic and generous people and you will be able to witness these personal traits and how they effect their lives and their relationships with one another. With Spaniards as your guides you'll visit the cities of Madrid, Toledo, Segovia, Avila and El Pardo. Many other Spanish points of interest will be visited also, but you will be viewing them through the eyes of the Spanish people themselves.

Another sequence in the film depicts the life of the great Spanish author, Cervantes. This portion of the film will better explain Spanish idealism and the influence his classic novel, "Don Quixote" has had on the entire world.

29 Years Here In Grayling

Foodland Business To Change Hands

by Joe Schrader

"We've enjoyed doing business here the past 29 years." That was the sentiment expressed by Jack Wilson, owner of Black & White Foodland, in announcing that the business has recently been sold. The Wilsons have been in the grocery business here in Grayling since 1950, operating a store across the street from its present location until relocating into the current building in July of 1973.

Tom Kelley of Detroit will be the new owner, expected to assume ownership some time in May of this year.

The Wilsons have been in the grocery business a long time, operating a Black &

White store in Alpena years ago in the downtown area. That was run by Wilson family relatives but the grocery tradition continued on to Grayling in 1950.

The late Arlie Wilson and his son Jack, present owner, founded the business in 1950. Known for its quality meat services and other grocery needs, the business thrived and moved across the street into a bigger building on James Street, better able to serve the needs of Grayling residents.

The grocery has 12 employees at the present time.

Wilson commented, "we've made a lot of friends and enjoyed the opportunity of putting our kids through school while doing business here. We hope our friends

will support the new owners like they have us." Known for his ability to provide the finest in meat products the past 17 years, Bill Johns will remain in the capacity of meat department manager. His eldest son, Doug, has been managing the business the past three years. The other Wilson children include Howard, who recently received his M.S. degree in Public Administration at Michigan State; Mary, teaching now in honor, Michigan; and Patti, a Grayling High Senior. June and I plan to stay here in town," Jack commented in a recent interview.

A two page ad on Pages 4 and 5 of this section announces a "So-Long" sale on the occasion of the Wilsons' selling the B & W Foodland.

Bids Let on I-75 Projects in County

Walter Toebe Construction Co. of Wixom was the lowest of four bidders, at \$2,910,576, for major renovations to the approaches and bridge over the Trenton Channel on Grosse Ile Parkway in Wayne County, the Michigan Dept. of Transportation said today.

It was one of 40 highway and airport projects on which bids were taken March 21 in Lansing.

Another major project for upgrading 10.2 miles of I-75 Freeway in Crawford County brought a joint low bid of \$2,972,836 from Lake Construction Co. of Indian River and Hodgkiss & Douma, Inc., of Petoskey. The project involves resurfacing both northbound and southbound lanes from M-92 north to the north Crawford County line.

Two different types of experimental recycling of existing pavement will be used.

Southbound lanes will be recycled in place, and northbound lanes will be pulver-

ized, removed to an asphalt mix plant, recycled with a quantity of new bituminous material and then returned to the site for re-laying.

The project also calls for resurfacing the decks of bridges carrying Crawford County Road 612 over I-75; and replacing guardrails and filler walls on 19 miles of I-75 from US-27 north to the north county line.

Low bidders are yet to be announced on six separate projects for improvements to Tri-City Airport in Freeland, serving Bay, Midland and Saginaw counties. The bids must be approved by local airport authorities before going to the Michigan Transportation Commission for approval. The same is true of a project to install runway lighting at Gogebic County Airport in Ironwood.

Before highway contracts are awarded, all the projects must be approved both by the Transportation Commission and the State Administrative Board.

John Keir Named Engineer-Manager In Roscommon

John Keir former Crawford County Road Commission Engineer-Manager has assumed the same responsibility in Roscommon County. Keir spent 12 years in the same capacity in Crawford County and was employed as an engineer-estimator in Gaylord just prior to assuming his present post.

Keir, who went to work in Roscommon officially on March 26th, has been authorized to submit revised plans for reconstruction of Markey Road for State approval. Keir said the new, lower cost estimate for the project is \$287,000. While bids could be let in June or July, Roscommon County Commissioners agreed to provide an opportunity for a public hearing on the project.

Keir resides with his wife and five children here in Grayling.

Swamp Tax Increase; How It Came About

by Les Powers
CC Taxpayers Assn.

The 1977 rate was 58 cents per acre in lieu of taxes. A petition drive for Ad Valorem taxes was initiated in Crawford County by the Crawford County Taxpayers Association, approximately 2,700 signatures were obtained by earnest, hard working individuals of the association.

Copies of the completed petitions were submitted to the Crawford County Board of Commissioners, who presented them to the 18 Northern Counties Commissioners Association and to Senator Robert Davis. The Tax Association of Crawford County have the original petitions.

The purpose of the petition was to bring the State payment nearer to Ad Valorem because of the huge

To Show Film on Rey's Syndrome

As most of you probably know, Rey's Syndrome is a deadly children's disease. Rey's affects the brain, liver and the central nervous system.

This deadly children's disease has already caused six (6) deaths so far this year in the State of Michigan.

If you would like to know more about Rey's Syndrome, wait no longer, John Dieckman, president of the National Rey's Syndrome Foundation will be in Grayling April 11th, 1979 at 7:30 p.m. at the Grayling High School Library. John will present a 30 minute movie and answer any questions you may have about Rey's.

Remember if you Love Our Children, please feel free to come.

SILVER TOPS TO MEET

The Silver Tops will resume their meetings on the second Tuesdays. They will meet on April 10th, with a Polluck at 6:30 p.m. at Ausagra Acres.

Everyone please come and there will be entertainment.

holdings and low return paid, depriving local Northern communities of taxable Ad Valorem land; the property tax you pay to support your area schools, government and functions, and to lower your taxes.

Although the Crawford County Tax Association was not completely satisfied, we now will receive triple what was paid in prior years.

We do not know all of the political maneuvers involved in getting the \$1.50 instead of 58 cents per acre, we felt

it was a dramatic achievement, short, but an improvement.

Now we of the Association wish to thank the signers of the petitions, all who gathered and spent their time getting them signed, the Crawford County Board of Commissioners and all politicians involved to make it a reality. We hope these funds will help to reduce the property taxes of Crawford County as was promised at a meeting in 1978 at a Board of Commissioners meeting.

Without the petition drive by the Crawford County Taxpayers Association, we doubt if any action to obtain a more equitable tax payment to the Northern Michigan Counties would have been initiated by anyone in the foreseeable future.

We hope future payments will be raised and come nearer to our tax rate, also the inflation increase as well. We are forced to increase ours every year, so sauce for the goose should also apply to the gander.

NRC Approves Land Exchange

Lansing - The Natural Resources Comm. approved a land exchange between the state and the federal government, the 123rd such exchange since 1922, at its March meeting in Detroit.

Ted Tucker, DNR Lands Division Chief, says the exchange involves over 44,000 acres of northern Michigan lands and brings the total acreage involved in the Michigan-federal program to over 1,500,000 acres.

"This program is designed to consolidate land ownership and thereby reduce natural resource management costs for both the federal government and the state," Tucker explains. "The federal lands are located within or adjacent to state project areas and the state lands are located within National Forest boundaries."

State lands offered, 27,517 acres, are all in the Upper Peninsula and are appraised at \$2,200,000. The 16,660 acres of federal lands in the Upper Peninsula and in one Lower Peninsula county, are also appraised at \$2,200,000.

"Federal lands include over 1,400 acres of mature pine plantations," Tucker says. "In addition, 24 percent of the federal lands are located in Crawford County several miles west of the state-owned Mason Tract along the South Branch of the AuSable River."

Federal lands being offered to the state are in or adjacent to the following areas:

-Escanaba River State For-

est, Delta County, 5,377 acres.

-Lake Superior State Forest, Schoolcraft Co., 7,346 acres.

-Huron National Forest, Crawford County, 3,937 acres.

State lands being offered to the federal government are in the Hiawatha National Forest in the following Upper Peninsula counties:

-Mackinac County, 2,606 acres.

-Chippewa County, 18,705 acres.

-Schoolcraft Co., 6,097 acres.

-Alger County, 106 acres.

-Delta County, 3 acres.

Holiday Inn To Honor Secretaries

The Grayling Holiday Inn has traditionally observed annual Secretary's week by sponsoring an annual Secretary's Luncheon. This gives an opportunity to employers to show their appreciation to a group of fellow workers for a job well done.

This year's party will be held on Thursday, April 5th at noon. The Dining Room of the Inn will be closed again for regular noontime traffic to allow all possible space for the special event.

After a selected luncheon, there will be toasts to bosses and the secretaries and a time to visit at the tables. On general request after last year's party, the entertainment will again be provided by Bob Bloenck of Bay City. This year's program will be varied, but equally as entertaining as before. There will be a small gift for each honored guest, and Hertha Laupmanis, Innkeeper, will be MC for the occasion.

Please make your reservations now by calling the Holiday Inn at 348-7611, Ext. 103.

Simulated High School Hospital Disaster Drill Termed A Success

by Joe Schrader

In a drill designed to test the capability of Mercy Hospital in coping with the needs of a local emergency, the facility, in cooperation with Grayling High School, conducted a simulated and staged disaster last Thursday morning. The "accident" occurred in a Chemistry Room explosion at the school which injured a number of students.

The problem for hospital employees is they knew the drill was forthcoming but not where, when or at what time.

Their quick reaction and emergency treatment rendered about a dozen high school students, "allegedly" injured in the explosion, was termed successful by administration officials and members of the hospital safety committee.

The students, stricken by injuries, all playing their parts well, were transported to Mercy Hospital at about 10 a.m. last Thursday morning. Hospital employees responded to the needs of the injured in a quick and professional manner without hesitation.

A team of obviously well-trained attendants transported the stricken students to treatment areas. Some were already set up, others were quickly prepared, including the hospital cafeteria. Hospital staff employees, including nurses and other medical necessity. All the victims were treated with obvious professional medical care.

A hospital spokesperson said the exercise is required on the part of the medical facility twice per year. How the drill is staged is optional.

Howard Taylor, Emergency Preparedness and Community Schools Director, was again active in the project which involved the voluntary participation of high school students with parental consent.

The simulated drill disaster is required by the Michigan Dept. of Public Health and the Joint Commission on Accreditation of Hospitals. The overall objective is to determine whether the hospital staff is adequately prepared to handle a disaster in a smooth and efficient manner.

A cooperative community effort, compulsory on one part, voluntary on another, confirmed confidence that Mercy Hospital is well able to cope with a major emergency of this type.

High School students who voluntarily participated in the drill included Stephanie Fick, Beth Revitzer, Lori Priestap, Sue Sommerville, Miranda Canfield, Jim Kitch, Carol Farren, Mike Chrisman, Missy Meldrum, Scott Dunckley, John Krajenka and Kim Herrick.

From Our Corner ...

No more prognosticating on our part...no sir...spring can wait as long as she wants...we just looked outside, and it looks more like the first of November than April, and just as we finally took our longjohns off...

Tonight's endeavor will be a little bit of this and a little bit of that...meaning, only a portion will make any sense...

On the serious side, we do have to make note of one more of our friends (and younger too) has taken the step of getting out of the wild kingdom of working with people...

We speak of J. Norman Wilson, who announced this week of the sale of Black & White Foodland, and after only 29 years...we beat J. Norman to Grayling by four years, we came from Korea while he stopped at Alpena after WW-2 before making the move to the best town in the north...

We met him shortly after he arrived...it helped our morale...he was skinny too...here we were two skinny guys in a foreign land trying to make friends with the natives, which back then was like pulling overseas duty...

Come to think about it...J. Norman has been here 29 years and we're going on 34 and we're still not considered natives...

So about all we can say, is...J. Norman we wish you and June many happy and healthy years in retirement...stick around, maybe we can force the natives to accept us...

We heard through the grapevine that Bill Joseph just returned from a lingerie buying trip, and when the merchandise arrived, wife Marion was heard to say, "he had to be out of his mind", with Mother's Day approaching...might be something to check.

Another friend hung up his boots to enter the golden years of retirement the past weekend...we were sorry we were not able to attend Perry Wells retirement dinner last Saturday, but we were committed elsewhere...

To Perry and Bev we wish many years of good health and happiness.

One would think that after having chicken two times last Thursday, and again on Saturday that should be enough for one fella for awhile...not so, just received the word, we is going to have it again tonight...

Remember...we mentioned only a portion of the corner would make any sense...the above part only helped with the filling...

We did enjoy ourself last Thursday...first, at noon we had lunch at the senior citizens center, which included chicken and stuffin'. Following we gave a short talk about the printing of the Avalanche, and answered questions. One did not pertain to the newspaper, but was directly at us on our feelings on the up coming election for millage to continue Dial-A-Ride.

After talking to quite a few people, prior to Thursday, we had made up our mind to support it...we believe it is a service that people in all walks of life in the county are making good use of.

Our second chicken dinner came that evening when we returned to Ausagra Acres to help our mother-in-law, Leona Papendick celebrate her birthday. Our Saturday dinner came from the Chicken Coop in Traverse City while spending the weekend with T.J. and Stef...so if you hear us cackle, you will know the reason why...

This just about does us in for this week's corner...we still have the little black and white kitten that we are most anxious to find a new home for...any brave soul, just step forward and she's all yours...

String Players Needed For Production

Do you play the violin, viola or cello? Has it been awhile since you played? Would you like to put your talent and your instrument to use again? If your answer to these three questions is yes, Grayling High School has something you might be interested in.

Students at Grayling High School are presently preparing the Broadway Musical BRIGADOON for production. Performances have been set for the first two weekends in May. Orchestral stringed instruments are needed for the pit orchestra for this production. If you would like to offer your talent and assistance, please call Grayling Community School Director Howard Taylor at 348-7841. Orchestra rehearsals have been tentatively set for Monday and Thursday evenings at the Grayling High School.

Mrs. Holger Hanson has returned home after being in Saginaw for several weeks.

Bill Joseph was host to a few friends at dinner last Saturday evening at his home, after which the party attended the Lumber Jack-Thomas Lunch basketball game.

Mr. and Mrs. M.A. Bates enjoyed a visit last weekend from their son and family. Lieut. and Mrs. R.E. Bates and three children, and their son-in-law, Ben Jerome, of East Lansing.

Jens Ziebell and Elmer Neal were at Boyne City Saturday to see the smelt run.

Mr. and Mrs. John Brady spent Wednesday in Detroit visiting relatives.

Mrs. T.P. Peterson and

three daughters returned Sunday from a several days visit in Vassar.

Mrs. and Mrs. Esbern Hanson accompanied by Mrs. Sidney Graham, spent Tuesday in Saginaw on business.

Mr. and Mrs. George Granger of Lansing were weekend guests of their parents here.

J.E. Schoonover has taken the dealership for Pontiac cars. He says he will have one on display in a few days.

Gaylord has been having high water trouble, some of the downtown streets being so flooded that people had to drive on sidewalks to get out of cars. Having no sewer system the water couldn't drain away. Even a pinnacle city, it appears, can have its floods.

For their last game of the season Grayling Lumberjacks played the Thomas Lunch team of Saginaw and won in a hard fought game by the score of 50-38. A good sized crowd witnessed the game and enjoyed watching the Thomas Lunches perform.

They are all well-built fellows and know how to handle a basketball. In a preliminary game the Lumberjack Reserves copped a victory from the High School, score 37-31.

Members of the American Legion with their wives and invited friends enjoyed a get-together last Saturday evening at the hall. The evening was spent in dancing to the music of the "Orioles" after which a delicious lunch was served.

Mrs. Roeser is enjoying a visit from her mother, Mrs. Doherty of Saginaw.

Miss Elizabeth Schrieber has gone to Lansing for an extended visit with her aunt.

Miss Donna Hoyt was a guest of the family of her uncle, M.A. Bates, over Sunday.

Miss Frankie Love began teaching the spring term of school at Wellington Monday.

Miss Bessie Bradley has resumed teaching in the Stephan district, down river.

Miss Emma Sherman and Minnie Thompson spent their vacation at their home in Maple Forest.

W. Jorgenson is putting a new cement foundation under the McKay house. P. Brown is the artist.

Mrs. A. Wilbur and children and Miss Salmona Fortbush spent last week with Mr. and Mrs. Eli Forbush on the Ward's fruit farm.

Foldhauser boys are all through sawing lumber in the Maple Forest district where they have been working all winter.

Dr. O.A. Albright, president, and Atty. W.W. Campbell, secretary and treasurer of the Crown Chemical Co., have been in the city this week in consultation with Manager Halter.

The Bible Speaks

From Calvary Baptist Church

Baptist Church Government

There are three basic forms of church government in practice today around the world and in Grayling. The first is Prelatical. This is generally clergy controlled. It may be primarily one man or a group of clergy who have the power. The second is Presbyterian. This means board controlled. It may be known as a Synod, Assembly, Presbytery or plain Board. The third is democratic. This means the congregation of the church has final control or power.

Baptist have always believed and practiced New Testament Church government as democratic. W.B. Riley wrote, "This is the king bolt in the bridge of Baptist history." In a true Baptist church, Jesus Christ is the head, the Holy Spirit is the administrator and the Bible is the supreme legislated authority. Calvary Baptist Church is self-governing, self-supporting and self-propagating. A proper name for the above arrangement is a Theocracy. God ruling through the democratic voice of His people.

Baptist believe Jesus made it plain that there is no higher place of appeal when Christians have differences. "And if he shall neglect to hear them, tell it unto the church; but if he neglect to hear the church, let him be unto thee as an heathen man and a publican." Matt 18:17

Paul and Barnabas were sent out by the church of Antioch under the leading of the Holy Spirit. Acts 13:1-3. In a dispute concerning the gospel message, the church of Jerusalem voted to resolve the problem and sent their own messengers back to Antioch with Paul and Barnabas to convey their doctrinal position. "Then pleased it the apostles and elders, with the

whole church, to send chosen men of their own company to Antioch with Paul and Barnabas..." Acts 15:22. When Jerusalem was to have more workers in the church, it pleased the whole multitude to select their choice of deacons. Acts 6:5.

Paul in judging the man for practicing incest in the Corinthian church, I Cor 5:1-3; even as an apostle, insisted that the discipline of the man await the gathering together of the church for final action. I Cor 5:4, 5. Likewise, those who need to be forgiven and restored to the church requires church action. Paul made recommendation only concerning restoration. II Cor 2:5-11. Notice again, "Sufficient to such a man is this punishment, which was inflicted of many" implies given by the church.

The only thing more independent than a Baptist is a church full of them. We are not ashamed of individual convictions of great Baptist of the past who helped assure all men the freedom of choice to be free of bondage in both government and religion. (adv.)

Cub Scout News-Den 4

For the month of April we are learning about energy, what is energy, and ways we can save energy.

We made posters showing how we thought we could save energy. Our den mother is going to ask merchants to display them in their windows.

We also made an energy toy using an empty spool, thumbtack, rubberband and a pencil. We all had fun racing them.

In Arts and Crafts we are making a flag by weaving crepe paper and are also making a dinosaur out of plaster and cardboard.

We have four boys who are working on their arrow awards and four boys working on their Wolf badge.

We made ice cream and had it for refreshments.

Tommy Lozon, Denner Billy McClain, Asst. Denner

CARD OF THANKS
With gratitude and thanks to our Public Health nurses, the excellent doctors and staff at Munson Medical Center. It was devotion and care that made the difference.

To the ambulance crew who made the trip in haste our thanks. May God Bless the hospital and it's staff.
Wilfrid Ziegler and family.

Pre-School Story-Hour at Mt. Hope

The last pre-school story-hour for spring was held March 26, at Mt. Hope. Nineteen children and their moms attended. Our story was "The Great Surprise", the story of Zacchaeus.

Each child received a small handmade puppet of Zacchaeus to take home with them. Everyone enjoyed the songs, refreshments and fellowship and because of the success and support story-hour has received plans are underway to resume in Sept.

Anyone who has a child who will turn 3 before September and is interested in story-hour can get more information by calling 348-8305 or 348-8424. Thanks again to all who supported us—see you in September.

Grayling Cooperative Nursery

The children of the Grayling Cooperative Nursery School are still inside waiting for all the snow to go away, while Mrs. Colbeck and Mrs. Bancroft are busy planning field trips.

We all went to McDonalds last week to see how they make their hamburgers, fries and all the other yummy food they serve.

Another field trip will be to Goodale Bakery next month and we're all looking forward to that.

Also parent don't forget the General Meeting on April 4th.

Conservation Teacher of Year?

Nominations are being accepted for the sixth National 'Conservation Teacher of the Year' awards program according to Barb Stauffer, District Office Manager of the Crawford-Roscommon Soil Conservation District.

The competition is open to all full time teachers working at the kindergarten through high school level who have developed an outstanding program of environmental education.

The National Conservation Teacher of the Year will receive \$1,000 in cash and an expense paid trip to Houston Texas for the 1980 annual convention of the National Association of Conservation Districts. The national 2nd place winner receives a \$500 cash award and the first place regional winner will be given \$200.

Co-sponsored by NACD and the Allis Chalmers Corporation, the purpose of the awards program is to encourage the development of creative learning experiences in conservation for young people. "Any teacher in a public or private school in our conservation district who puts emphasis on environmental conservation as a regular part of the instructional program is eligible for nomination", said Stauffer. Interested teachers can obtain additional information and nomination forms by calling her at 275-5231 in the Roscommon Office from 8:00 to 1:00 weekdays.

The awards program also includes equivalent prizes for the conservation district judged nationally to have provided the most effective stimulus and help for conservation education programs within the district.

Lung Association Elect Officers

Nancy Ferguson, RRT, director of the cardio-pulmonary department at Community Memorial Hospital, Cheboygan, has been elected president of the Northeast Region of the American Lung Association of Michigan for 1979-80.

Meeting recently at the Holiday Inn in Grayling, the regional council chose Maria Valone, health and nutrition director in the Manistee School System as first vice president and Leon Olewinski, RRT, director of cardio-pulmonary services at Munson Medical Center, Traverse City, as second vice president.

Elected to two-year terms on the regional council were Mark Orlikowski, CRTT, director of the cardio-pulmonary department at Traverse City Osteopathic Hospital and Becky Wheeler, health educator for Grand Traverse, Leelanau, Benzie District Health Department, Traverse City.

The new president announced that on April 1st the Association will take a step toward fostering a one family, one identity feeling by changing from the Michigan Lung Association to the American Lung Association of Michigan.

The nation's oldest voluntary health agency is embarking on a celebration of its 75th anniversary year. Ferguson commented that a national movement toward uniformity of name had been endorsed by the Michigan Lung Association's Board of Directors commemorating major contributions to public health and service to the people of Michigan.

The Northwest Regional Council of the Christmas Seal People identifies local needs of its host communities relative to respiratory diseases, plans programs to meet those needs and helps to implement programs for the prevention and control of lung diseases.

The region serves Antrim, Benzie, Charlevoix, Cheboygan, Clare, Crawford, Emmet, Grand Traverse, Isabella, Kalkaska, Lake, Leelanau, Manistee, Mason, Otsego, Mecosta, Missaukee, Roscommon, and Wexford counties.

KCC Financial Aids Information

Kirtland Community College's Financial Aids Office is currently urging anyone interested in financial aid for the summer or fall semesters to file their Financial Aid Forms as quickly as possible. There is a several week processing period on these forms, therefore it is vitally important that students file early. Students are requested to provide a copy of their 1040 or 1040A this year for our records, and dependent students are requested to also provide a copy of their parents' income tax forms.

If you were not eligible for financial aid in previous years, there is a greater chance for eligibility this year due to changes in the requirements. The financial aids office has the forms necessary at this time, and would be happy to answer any questions regarding financial aid. The phone number to call is 275-5121, ext. 257.

Office hours are 8:30 a.m. to 5:00 p.m., Monday thru Friday, with special evening hours scheduled until 7:30 p.m. on April 17 and April 30.

Good Turnout For First Match

The Grayling Boxing team won only one fight in their hometown show, March 24th. Eight boys were matched and all fought well.

Russell DeHart, 100 lb. class, won a unanimous decision over Chris Brown of Cheboygan. Russell fought a classy, light winning with his fast jabs and scoring combinations.

Doug DeHart lost an unpopular decision to John Mockie of Gaylord. Doug fought a tough toe-to-toe battle. The fight was awarded the Fight of the Night and both Doug and John received Fight of the Night trophies.

Other unpopular decisions were John Moggo and Ervin Watson. John lost the decision to Ricky Blainstrom of Gaylord and Ervin lost his decision to Ron Lane of Cheboygan.

Jim Sorenson, 89 lb. class, lost a decision to Jeff Turko from the Alpena Boxing Club. Tom Sorenson also lost a three round decision. Tom was matched with Bruce Diamond of Alpena.

Doug Moggo, 145 lb. class, lost a close decision to Chris Elliot from Cheboygan. Doug was confused throughout the fight by the south-paw style of his opponent. Doug was awarded the Grayling's Fighter of the Year for his sportsmanship, enthusiasm and extra effort.

Doug also fought March 17th in Springport. He lost a split decision to Ron Moore of Hastings.

Ron Moggo, 125 lb. class, lost to Chris Featherstone of Cheboygan. Ron won the 2nd

round but was unable to score in the remaining rounds. Ron also fought in Springport on March 17th losing by an RSC in the second round.

Terry Sorenson and Bobby Dixon exhibited an excellent crowd pleaser. The two 7 year old, 50 pounders showed promise of future winners.

The show turned out good with a nice crowd. Trainers Rick Meisnerheim, Charlie Dixon and Mike Money were proud of their "boxers", performances, even though only one took home a winning trophy. The team has future plans for another fight in the month of November 1979.

Country Club To Open

by Fay Bovee

The official opening of the Grayling Country Club takes place this Friday afternoon. Although we understand that Sunday morning league play started this past Sunday when temperatures were hovering near freezing. Underneath those parkas, the players were unrecognizable, but they got in 36 holes over the week-end!

Tom and Sandy Brogger with their friendly smiles will be there to greet you for Happy Hour on April 6, 1979, starting about 4 p.m. and lasting until 6. The bar is open and there will be snacks. We'll see you there—

Hospital News

The following were among those admitted to Mercy Hospital during the past week: Juanita Millikin, Patricia Holcomb and Rene Messenheimer all of Grayling; Evelyn Burns, Vicki Hampton, Earl Schicker, James Carnahan, and Jeanette Adams all of Roscommon.

Those discharged were: Ruth Fenton, Thomas Roche, Patricia Holcomb and baby, Emma Porter all of Grayling; Milford Moggo, Jeffrey Baerlocker, Elin VerHoven, Vicki Hampton and baby, and Earl Schicker all of Roscommon.

Mark and Patricia Holcomb of Grayling had a baby girl, March 28, 1979 weighing 7 lbs. 15 1/2 ozs.

Michael and Rene Messenheimer of Grayling had a baby girl, March 30, 1979 weighing 9 lbs. 2 ozs.

Charles and Shellenne Sullivan of Prudenville had a baby girl March 31, 1979, weighing 7 lbs. 6 1/2 ozs.

Frank and Cindy Granger of Mio had a baby girl on April 1, 1979 weighing 5 lbs. 6 ozs.

Blits O'Talk

by Fay Bovee

A card from Helen Catlin notes that she has been in Halifax Hospital in Daytona Beach for a few days of testing for a head injury suffered last fall.

Mrs. Margaret Jensen and Horace and Ann Felling spent a month in Yanketown, Florida, where they visited Rolla and Fern Felling.

Mr. and Mrs. Charles Flick had a five day trip recently with the Hell Quaker Heating and Airconditioning Tour Group when they spent a day and half in New Orleans and went aboard the Delta Queen for a three day river cruise.

Mr. and Mrs. Don Jensen, Mr. and Mrs. Charles Flick, and Mr. and Mrs. Robert Fovee attended the Spring Divisional Meeting of District 17 and 18 of Michigan Kiwanis held at Northwood Institute in Midland on Sat., March 31. While the men attended business meetings the women attended a program by Sue Nielson, staff member of the Big Brothers of Midland.

Her talk was on Child Abuse and children's problems. One startling fact stated was that a well-known chocolate candy bar contained caffeine equal to 10 cups of coffee! And sometimes that is a child's breakfast or lunch! No wonder children are hyper! At dinner we found ourselves seated across from Jim and Pat Dye, who we discovered bought Treepots from Chum and Marilyn Longworth. Also in attendance was a Bear Lake summer resident, Paul Tomshany.

Dr. and Mrs. Robert Schwarz have returned from three weeks in Bellare Bluffs near Clearwater, Florida, where they visited his parents, Mr. and Mrs. G.W. Schwarz. They played some golf and on the return trip stopped in N. Carolina to visit her nephew.

John and Doris Harland arrived home from Kissimmee, Florida, where they spent two weeks with his brother and wife, Mr. and Mrs. Jerry Harland. They played 18 holes of golf every day and had a marvelous time.

Par for the Course

by Fay Bovee

In action taken by the Grayling Country Club board of directors a year and a half ago, permission was given for the formation of a mixed league on Thursday afternoon following the demise of the Bear Achery league.

At an organizational meeting at the club last week, the new league will be known as the Chippers and Putters and each team shall consist of a male and female member of the Grayling Country Club.

Registration for the league will begin on April 6, 1979, the official opening date of the club. A sign-up sheet will be posted on that date in the clubhouse and membership, at the present time, will be limited to 28 teams. However, a substitute list will also be posted with no limitation on that. All must be members of the club, however.

Play will begin on June 4 and continue through the months of July and August. Drawings for team numbers and the rotation scheduled will take place the first of June. It will be handicap league play based on a 5-point system with 3 points for a forfeit. Hopefully, however, there will be a sufficient number of substitutes signed up making forfeits unnecessary. There will be no make-ups. Substitutes will be allowed singly or in teams but it must be a female sub for a female team member and a male sub for a male.

Dues for the 3-month season will be \$15 a team which will cover trophies, etc., at the closing party. No prizes will be awarded during the weekly play but a raffle is planned. The fee is payable to Bob Bovee, GCC, P.O. 529 before the first day of play.

Scores will be tallied by each team on a bulletin board to be posted at the clubhouse. Tee times will be observed with each foursome signing up for a previously agreed upon time with their opponent, starting anytime from 4 to 6:30 p.m.

Following play, everyone will socialize in the clubhouse with a "brown bag lunch", buy your own sandwich, bring your own potluck, or the grill will be available for a "grill your own steak."

Come on out, join the fun, and support your club. Tom Brogger and Bill Denton will be responsible for the rules committee. Anyone wishing to contribute any constructive criticism to the league is asked to call Helen Waiter!

Johnny Cash To Appear at Traverse City

Johnny Cash. What more can you say? The Biggest thing that has happened to country music since its recorded beginnings a half century ago. During a career that began in 1955, Johnny Cash has grown to be the art's most formidable purveyor and presents his product without adornment. Across America, Europe, Australia, and the prison yards from San Quentin in California to Stockholm, Sweden, Johnny Cash is a dynamic eagle figure, displaying truth and honesty and a perceptive awareness of the human condition, good and bad.

"Folsom Prison Blues", "Cry, Cry, Cry", "Hey Porter" along with his famous concert repertoire, "A Ring of Fire", "A Boy Named Sue", "One Piece at a Time" and his best selling single, "I Walk the Line" will be sung at Glacier Arena, April 17th, at 8:00 P.M.

Joining Johnny Cash will be June Carter, his wife, and the Carter Family. Along with them will be "Jan Howard" and also "The Tennessee Three". What a show!

Tickets are now on sale at Glacier Arena, 1600 Barlow St., Traverse City, Michigan, 49684. Reserved Seating, at \$8.50 and \$7.50. Free Parking and no ice down.

Serving With The Marine Corps

Marine Mark C. Love, son of James and Berghina I. Love of Rt. 2, Box 2691 A, M72 E. Grayling, has completed the Personal Financial Records Clerk Course.

During the 8-week course at the Marine Corps Base, Camp Lejeune, N.C., students were taught the fundamentals of military pay and allowances. They studied the preparation and maintenance of military pay records, computation of military payrolls and the rules and regulations governing the military pay system.

He joined the Marine Corps in October 1978.

Brownie Troop #2143

Brownie Troop #2143 has been busy! March 11 was Girl Scout Sunday, some of us attended church with our Brownie and Girl Scout friends. And on March 13 we joined the other Brownie and Girl Scout Troops of Grayling for an evening of roller skating at Houghton Lake. We all had a lot of fun.

March 20, Trooper Fox of the Houghton Lake State Police Show came and showed us a film on "Strangers". He also talked with us and answered our questions. On March 27, we had our World Association Ceremony. Our parents were invited to watch us receive our World Association Pins. After the ceremony we all enjoyed cake and punch.

April will be another busy month for us as third grade Brownies begin "Bridging to Juniors". On April 24, we begin "Discovering the World Outdoors" when we go on our 1st Spring hike.

THE GRAYLING DAIRY QUEEN officially changed hands in a ribbon-cutting ceremony held at its location across from the A & P Store last week. The business was previously owned by Tony Nicholas. The business was recently purchased by co-owners, Mickey & Ray Perez and Pat & Gary McLaughlin.

With a number of local celebrities & interested citizens in attendance, shown here is Susie McLaughlin, assisted by Mickey Perez in cutting the ribbon. Pat & Gary McLaughlin (upper left center) observe along with Ray Perez, (behind Mickey). (Joe Schrader photo)

Bits O'Talk

by Fay Bovee

Mrs. Roy Milnes was at her daughter's in Portales, N. Mexico, for five weeks this winter. She rode out to Dr. and Mrs. Bill Rosin's with a friend who continued on to California.

Cindi Larson was home for the weekend from Lake Superior State at the Soo. She was here when her parents, Mr. and Mrs. Larson and daughter Ronda arrived home from three-week vacation trip to the South. The Larsons went to Snowhill, N. Carolina, to visit Bill and Vickie Hart and then on to Gainesville where they visited the Neil Byces. They visited the Ernest Larson at Lakeland and attended a Christian Retreat Center in Bradenton before starting home.

Mr. and Mrs. Jerry Walker returned from Florida and Texas where they spent the month of March. They visited Jerry's father in Houston.

Dr. and Mrs. Blaha returned on Sunday from Port Charlotte, Florida where they had spent their month's vacation with his mother, Mrs. George Blaha. Also there for two weeks were his brother and wife, Dr. and Mrs. David Blaha of Marshalltown, Iowa. George Blaha of Detroit and Dr. and Mrs. David Blaha and son, George Andrew of Marshfield, Wisconsin visited for several days. Dr. Blaha attended the American College of Surgeons Symposium on Trauma sponsored by the U. of Southern Florida at Tampa. They visited Myrtle Beach and Pinehurst on their way home.

RICHARD MILLIMAN

Let's produce a column without halftone...by reaching into the public realm and coming out with a covey of cogent quotations.

To start with the sublime, which is always a good place to start, the following comes from an address by Dr. Werner von Braun a few years back: "Science and religion are not incompatible. While science tries to learn more about the creation, religion tries to learn more about the Creator. One cannot be exposed to the order and beauty of the universe without conceding there must be a divine intent behind it. Must we light a candle to see the sun? The more we understand the universe and the intricacies of its operation, the more sense we have to marvel at its Creator."

Columnist's comment: The only thing we can add is to urge you to study the thoughts in the above quotation, and come up with your own comment.

The following came a few months ago from William McLaughlin when he was still chairman of the Michigan Republican party in a newsletter to his fellow Republicans:

"It is time we face the fact that what we need is not just a better organization, or a friendlier press, or even a higher caliber of candidates. These are very important. They're not enough. We need to be willing to change our attitude about our role in our governmental system."

"Over the years we have increasingly become a party of nay-sayers—unable or unwilling to offer real solutions to real problems. When the Democrats, over the past 48 years, developed what they thought to be good answers to difficult social problems, Republicans refused to be a party to their solutions. Many times, we failed to recognize the problem. More often than not, we refused to be a party to any solution."

"We continue to oppose without ever proposing. That is the problem that has plagued our party for the last 30 years and we will continue to suffer losses until we change that situation."

Columnist's comment: Bill McLaugh-

lin was not always universally popular with Michigan Republicans during his long tenure as party chairman, and the above quotation indicates why. Nonetheless, he makes good sense. Positive proposals—that's the answer.

James Lincoln was juvenile judge in Wayne County, Michigan for 17 years. When he retired some time back, he included this view in a farewell interview:

"Crime is a young person's game. It always has been. A lot of the credit people take for rehabilitation is just due to their (young people's) growing up."

Columnist's comment: That sounds to me like wisdom worth of a judge.

Sen. Barry Goldwater recently was asked to size up the upcoming tussle for the Republican nomination for President. He noted that front-runner Ronald Reagan seems to be losing ground, and added:

"Everywhere I go, people say they like Reagan. But they ask, 'Isn't there somebody else?'"

Columnist's comment: With Mr. Reagan's latent and long-standing support, right now he looks like the GOP winner. But isn't there somebody else?

Ron Nessen, who spent 2½ years on the inside as President Ford's press secretary, used to work for UPI, NBC and some other news services before he went backstage. In assessing his experience, he said he would now be a better reporter, and he reasoned thus:

"I think I understand the complexity of the White House and the government. Issues no longer appear to me to be black and white as they were...I realize...I oversimplified in many stories."

Columnist's comment: As one who has been back and forth over the line of public service more than once, I agree completely with Mr. Nessen. From a distance, the problems seem so simple and issues seem to be so direct. But when you're helping to call the shots, things look different. Of course, all of life is like this, isn't it?

State Senator Opposes Sunday Gas Closings

Lansing—Citing the adverse impact a proposed ban on Sunday gasoline sales would have on Michigan's economy as a whole and the state's tourist industry in particular, State Sen. Dick Allen is seeking to prevent the federal government from implementing this proposal.

The Ithaca Republican introduced a resolution in the Michigan Senate Thursday urging the federal government not to institute Sunday gasoline sale closings.

"A ban on Sunday gasoline sales would virtually cripple our state's multi-billion dollar tourist industry and severely weaken Michigan's economy," Allen asserted. "Neither our tourist industry in particular, nor our state's economy as a whole, could withstand closing the pumps on Sundays."

Allen, who previously served as Director of the Mich. Travel Bureau, pointed out that tourism is Michigan's second largest industry and ranks fifth among the states in the amount of revenue it generates.

Tourism is a growth industry. It directly accounts for more than \$8 billion annually in income and generates nearly 200,000 jobs for Michigan residents. An estimated 35,500 business establishments in our state, such as restaurants and motels, directly benefit from tourism," he noted.

"We simply cannot stand idly by and allow the federal government to pull the rug out from underneath the feet of all these people who depend so heavily upon tourism for their livelihoods," he emphasized.

Allen further noted that the ability of tourists, nearly half of whom are state residents, to enjoy the attractions offered by traveling in Michigan would be hampered by the Sunday gas sale ban.

"The economic contribution of weekend leisure travel cannot be ignored. Nor can the recreational respite it provides many of us after a long, hard week," he continued.

"Granted, we are experiencing an energy crunch," he acknowledged. "Banning Sunday gasoline sales is not the solution to our energy problems, however, when it would create even more serious economic problems."

"In order to preserve, protect and promote Michigan's travel industry, alternative programs should be developed which would enable individuals to make their own decisions regarding the use of available gasoline," Allen asserted in the resolution.

Copies of the Allen resolution, when adopted, will be transmitted to President Carter, the President of the U.S. Senate, the Speaker of the U.S. House of Representatives, and the Michigan Congressional Delegation.

Social Services Board Meeting

February 26, 1979

303 James Street, Grayling, Mich.

The February meeting of the Crawford County Social Services Board was called to order by the Chairperson, Mrs. McNamara, on February 26, 1979 at 9:30 A.M. in the Department office. Members present were Maureen McNamara, Johanna Gorman, Carol Wert, and Robert Porter, Assistant Director in absence of Director.

The minutes of the January 23, 1979 meeting were amended and approved on a motion by Mrs. McNamara and seconded by Mr. Wert.

The master vouchers (#8259-8335) for January 1979 were approved by a motion by Mrs. McNamara and seconded by Mrs. Gorman.

The following bills were approved for payment on a motion by Mr. Wert and seconded by Mrs. Gorman.

General Telephone Co. (Instal. of busy box)	45.29
Sohn Supply (Supplies)	29.35
Ben Franklin Family Center (Supplies)	4.37
Wares Office Supply (Supplies)	11.56
Grayling Office Supply (Supplies)	7.50
Mac's Drug Store (Supplies)	3.53
Wares Office Supply (Supplies)	8.36
Cadillac Overall Supply (Supplies)	9.85
McLeans ProMart (Supplies)	14.52
Dues for District MCSSA	40.00
State of Mich. Licensing & Regulation	165.00

OLD BUSINESS

On a motion by Mr. Wert, and seconded by Mrs. McNamara, the Board set the date for the Social Services Open House for Tuesday, March 20, 1979 from 2:00 P.M. to 5:00 P.M. The office will be closed for business that afternoon. The Board will send out written letter invitations and provide refreshments.

Robert Porter reported to the Board about the Food Stamp Outreach Program. He stated that the workers went out for five days at each location and they received approximately twelve new applications. This program may be continued on a bi-monthly plan depending on forth-coming results.

The end tables for the reception area were discussed. Robert Porter said that due to the school closing he has been unable to check to see if they are done.

NEW BUSINESS

A motion was made by Mr. Wert, and seconded by Mrs. Gorman, to change the date of the next Board meeting to 9:00 A.M. March 20, 1979. There will be letters of invitation sent to the following members of the Health and Welfare committee to attend this meeting:

1. Mrs. Jackie Bonkowski
 2. Mr. Andy Neilson
 3. Mr. Larry Mattis
- A request by Robert Porter for renewed certification on workers was approved with a motion by Mr. Wert and seconded by Mrs. Gorman.

Mr. Wert made a motion, seconded by Mrs. McNamara, that the information on County funding of Social Service be included in the minutes.

The following figures show balances for 1978:

Beginning Balance, January 1, 1978	\$6861.77
Transfer of Funds, January 18, 1978	5000.00
Transfer of Funds, May 17, 1978	5000.00
Year End Balance, December 31, 1978	8724.60

We had no need to request the third and fourth quarter allocations for the fiscal year of 1978, which means \$10,000.00 of the 1978 approved budget was not requested or used by the D.S.S.

We requested our first quarter allocation for 1979 on February 7, 1979, and this request was approved by the County Board of Commissioners on February 12, 1979. Future requests for additional quarter allocations will be made if and when necessary.

The Board approved prices submitted by Van's Building Center on shelving units to match the ones which were installed in the building. Mrs. McNamara made the motion and it was seconded by Mrs. Gorman.

Lynne Reeves, Ongoing AP Worker, visited the meeting and explained her position within the Department to the Board. Ms. Reeves explained that she and Mrs. Worden maintain cases after intake workers opened them.

The meeting was temporarily adjourned at 12:20 P.M. by Mrs. McNamara for a lunch break.

The meeting was resumed at 1:30 p.m. After Ms. Reeves gave her presentation, Mr. Wert asked that the following statement be admitted to the minutes:

"We as a Board feel that Medical care to the elderly is not meeting the needs of the community as being administered under our present program." Discussion was then held in regards to the difficulty involved in changing the situation due temporarily to Federal guidelines.

MISCELLANEOUS

Robert Porter explained the RAS (Responsibility accounting system) to the Board.

At a special Board Meeting scheduled for March 6, 1979 at 10:00 A.M. Mrs. McNamara will give a report on the MCSSA Midwinter Conference, and the Board will have a training session.

The Board attended the following meetings in February: Mr. Wert, Mrs. Gorman, Mrs. McNamara, and Mrs. Thomas: February 15, 1979 — MCSSA District II Meeting (Full Day)

Mrs. McNamara, and Mrs. Thomas: February 20, 21, 22, 23 — MCSSA Midwinter Conference

The meeting was adjourned at 3:40 P.M. on a motion by Mrs. McNamara, seconded by Mrs. Gorman.

Chairperson, Mrs. McNamara

Vice-Chairperson, Mrs. Johanna Gorman

Member, Carol Wert

Director, Mrs. Patricia Thomas

Camp Shawono Activities

Camp Shawono C.A.A.C. meeting held on March 13, 1979. Members present: Dick Wieber, Carol Wieber, Darlene Rowan, Bruce Haines. Camp Council & Campers present: Mohamed, Steve, Brian, Randy and Bryan.

The first issue of the camp newspaper was presented to the council members. Issued on February 16th. The next issue should be out around March 16th. Bruce Banuchie did most of the work on this issue and said if he didn't get some help there might not be another issue.

There was a discussion on the archery stands. Mr. Haines said the camp might be ordering new ones shortly.

Mr. Wieber asked if the camp had been contacted to join a basketball league which is being formed in town. Mr. Haines said the man had contacted him but felt that the camp could not be committed at this time and felt this was the wrong time of year to get involved in basketball with spring coming and outdoor sports starting.

It was announced that 11 boys took place in the Granny's Glide ski race at Roscommon with ten boys finishing. They were all proud of their accomplishment and enjoyed the competition. Boys participating were Tom Burns, Jeff Suda, Steve Jackson, Randy Rabb, Jim Baker, Chuck Bergey, Rich Snyder, Steve Bailey, Jay Davis, Ricky Lyles, Dan Carnes, Joe Lambert.

Mr. Haines presented the statistics for the month of February, 7 truancies, all back within a short time. Started the month with 48 on roster, added 6 new boys, as we are capable of handling 50 youth. We now have a waiting list. Average length of stay for the 2 released was 5.88 months.

Mr. Haines said the new counselor is gradually taking the new boys coming into camp and this is helping in that department, but the staff is feeling the pressure of a full camp.

The boys requested that the basketball players be furnished with tank tops to wear during play. They are presently wearing personal t-shirts and this creates a problem with the laundry set-up. They already have shorts and socks have been ordered.

Mr. Haines said he would look into the situation.

Ms. Rowan asked if it was possible for a girls softball team could come out and play against the boys this summer. She said they had been told last year that this would not be permitted. Mr. Haines said it was all right with him and did not know who had said no last year. The boys were enthusiastic about the idea of beating a bunch of girls at softball.

The next meeting will be held on Tuesday, April 3, 1979.

Attend the Church of Your Choice

The message of Holy Week is not a sad one. Rather, it is the most joyous news we will ever hear! The glory of the resurrection could not have happened without the stark tragedy of Good Friday . . . and because Christ overcame death, we are assured of eternal life. It is certain that we will live again and forever, in a new way that God has planned for us.

Jesus strove constantly to make this blessed truth plain. Time and time again we are told of God's great love, and of His constant concern for the world and people He created.

The highest point of Christ's ministry was the cross. Because of its tremendous power we, as Christians, have been given a ceaseless source of comfort. Come to the church of your choice.

Editor's Mailbox

Dear Editor:
Hooray for the Pettyjohns for their article to you, in last week's paper concerning Dr. Waterfall.

I am not very good on putting words down on paper, but this letter comes right from my heart. I, too, am a patient of Dr. Waterfall. And I agree wholeheartedly with the Pettyjohns. Dr. Waterfall is truly a wonderful doctor, and he does take the time to explain things, to his patients in words we can understand. He makes his patient feel, that she is the only one he has. That is a wonderful quality in a doctor. Dr. Waterfall, if you read this letter, will you please, please, reconsider. We need you here in Grayling. I also feel like the Pettyjohns, everyone who has Dr. Waterfall as their doctor, get behind him now, let's all try our best to keep our doctor here.

If we fail, we are not only losing a fine doctor, but also a good friend. If you have to leave Doctor, the best of luck to you and your family. We will really miss you here, some of us will not know what to do without you. I know I won't.

Sincerely,
Mrs. Cecela Budd

The term junk yard shall mean any place fixed in location within the Township where used metal including brass, copper, tin and iron used paper and rags, or used machinery including automobiles, is brought or bought for resale, or for dismantling and stripping for resale of parts or as scrap.

101.3 Junk Dealer. The term Junk Dealer as hereinafter used, shall mean any person who engages in the activity of operating a Junk Yard.

Section 102 License

102.1 Licenses shall be secured from the Beaver Creek Township Board, and subsequent to the effective date of this ordinance, no Junk Yard shall operate as such without having secured such license.

102.2 Applications for license shall be submitted to the Township Clerk in writing. Such applications shall contain the names and addresses of all persons having an interest in said Junk Yard, whether as owners, agents, servants, or employees, including all officers of any corporate persons. Said application shall also contain information as to the exact location and extent of area to be used by said Junk Yard. Any changes shall be made known upon application for license renewal.

102.3 The Beaver Creek Township Board shall have sole authority to grant, withhold or revoke any license in existence or applied for, but does not have sole authority for bringing action against any violation of the terms, conditions, or regulations, contained herein.

102.4 Upon receipt of a license application, the Township Board shall direct the Township Supervisor to make a full and complete investigation of the applicant and site that the applicant proposes to conduct the Junk Yard business using whatever means are available to him or whatever agents are delegated by him. The Supervisor shall report the results of his investigation to the Township Board as soon as possible. The Township Board shall thereupon act upon the application.

102.5 Upon application approval, the applicant shall forthwith pay an application fee of \$25.00 and shall there after pay an annual license renewal fee of \$25.00 unless the license shall be revoked in the interim. Each license shall be good for one year from the date of issuance, but only for the location indicated there on.

102.6 The following standards shall be criteria for determining whether or not a license shall be granted or renewed or revoked as well as conditions to be complied with in the operation of any and every Junk Yard.

A. All places where junk is stored in a Junk Yard shall be suitable and completely walled from view from any roadway, public street or highway by being enclosed by a solid face fence not less than eight (8) feet high and shall contain nothing less than five (5) acre of land.

B. No Junk Yard shall be so operated or used as to create a nuisance by reason of noise, disagreeable odors, air pollution, fumes, filth, or loose debris.

C. No Junk dealer shall purchase, take, receive, or acquire junk from any person that said junk dealer knows or reasonably should know or suspect is intoxicated, a thief, an associate of thieves, or a receiver of stolen property.

Article 2. Dismantled or Inoperable motor vehicles

Section 103 Definitions

103.1 Motor Vehicles. Motor vehicles are hereby defined as any wheeled vehicle which are self-propelled. Inoperable motor vehicles are defined as motor vehicles which by reason of dismantling, disrepair, lack of licensing or other cause are either incapable of being propelled under their own power or are prevented by law from being so propelled.

103.2 Dismantled and partially dismantled motor vehicles. Motor vehicles from which some part or parts ordinarily a component of such motor vehicle has been removed or is missing.

Section 104 Parking and storing dismantled or inoperable motor vehicles.

104.1 No person, firm or corporation shall park or store any dismantled, partially dismantled or inoperable motor vehicle or parts thereof outdoors on any premises within the limits of Beaver Creek Township for a period of more than thirty (30) days continuously, and no person, firm or corporation shall permit any dismantled, partially dismantled, or inoperable vehicle or parts thereof to remain outdoors on any premises within the limits of Beaver Creek Township for a period of more than thirty (30) days continuously. This section shall not apply to junk dealers duly licensed by the Township of Beaver Creek or to garages and service stations openly and actively engaged in making service repairs for the public, nor to dismantled, partially dismantled or inoperable motor vehicles or parts thereof stored in a closed building.

104.2 Any person, firm, or corporation owning a dismantled, partially dismantled or inoperable motor vehicle who is repairing, or who is about to have said motor vehicle repaired may obtain a permit from the Township Clerk to permit the said motor vehicle to remain on the premises for an additional thirty (30) days. A fee of \$5.00 for each permit issued shall be collected by the Township Clerk and paid into the General Fund of said Township.

104.3 The presence of any dismantled, partially dismantled or inoperable motor vehicle or parts thereof outdoors on any premises within the limits of Beaver Creek Township is hereby declared to be a public nuisance and is hereby further declared to be offensive to the public health, welfare and safety.

Section 105 Penalty.

105.1 Any person, firm or corporation who shall violate or assist in the violation of any provision of this ordinance shall be guilty of a misdemeanor punishable by a fine of no more than one hundred dollars (\$100.00) or by imprisonment in the county jail for a period of ninety (90) days or both fine and imprisonment. Every day that such violation shall continue shall constitute a separate and distinct violation under the provisions of this ordinance. In addition, said convicted person shall have any previously granted license revoked for a period of one (1) year, and upon two convictions in any three (3) year period, said license shall be revoked permanently.

Section 106 Effective date.

106.1 This ordinance shall take effect on the 12th day of March, 1979.
